### First Community Meeting Slated For New Park

## Park Authority Seeks Input Into Railroad Street Planning

The community is asked to join the Fairfax County Park Authority in the planning effort for South Railroad Street Park. Come share your ideas for this 2.04 acre local linear park located along Railroad Street between Gallows Road and Morgan Lane. This will be the initial kick-off gathering for the park master planning process. The property includes former road and railroad right-of-way areas on Tax Map 39-4((29)) B; 39-4((52)) B, C1, C2, C3, D; portions of Tax Map 39-((50)) B, C, D, E, in Dunn Loring. The South Railroad Street Park Master Plan project is a community-initiated project.

Park Authority staff will discuss the park master planning process, present site background information and examine how the park can best meet community needs for the future. There will be a brief period for questions and sharing of ideas after the presentation. The meeting will be held at 7 p.m. on Thursday, April 20, 2006, in the Kilmer Middle School Lecture Hall, 8100 Wolftrap Road, Vienna, VA 22182.

This is an important opportunity for citizens to present their views on this master plan, and community members are urged to attend. For persons with hearing impairments, sign language interpreter services are available upon request. Please call (703)324-8741 or 703-803-3354 TTY at least one week before the meeting.

Comments will be accepted at the workshop or can be mailed to Lynn Tadlock, director, Planning & Development Division, Fairfax County Park Authority, 12055 Government Center Parkway, Suite 421, Fairfax, VA 22035. Email comments should be sent to: [parkmail@fairfaxcounty.gov](mailto:parkmail@fairfaxcounty.gov). This meeting is an important initial step in the planning process and will be followed by a public hearing on a plan once a draft document is created. Those responding to this meeting will be notified of all subsequent meetings concerning this project.
